

# The Brigada Piolin and the Lost Urns

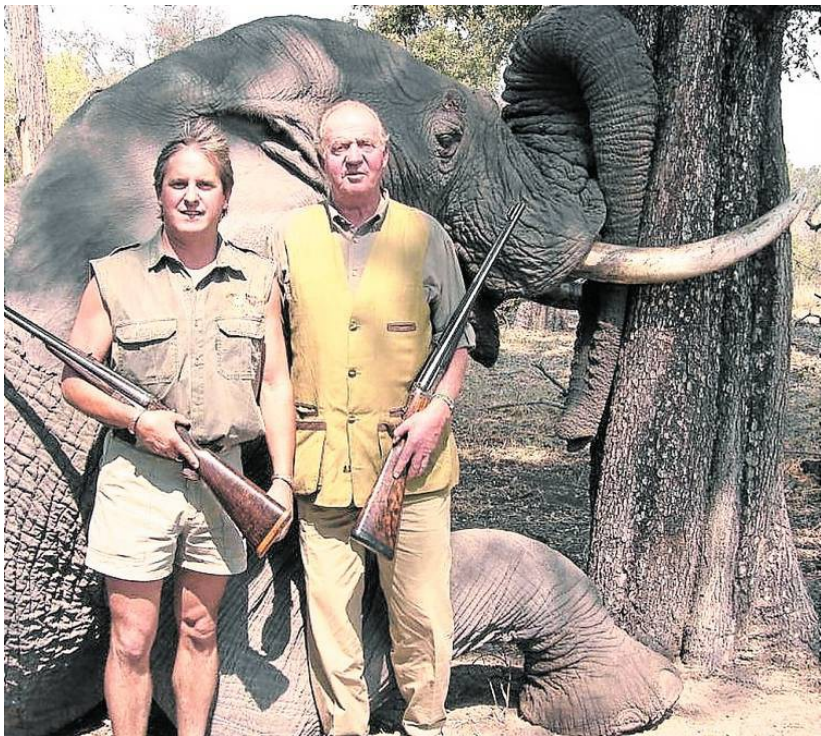

(with apologies to Black Books)

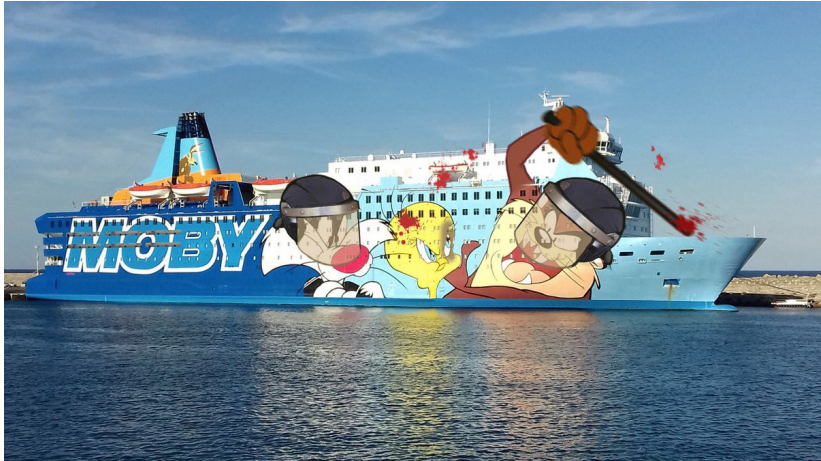

There's the militiaman. He's happy with his urn.

Oh no! It's gone! Where is it?

It's not behind the elephant...

Does Piolin have the urns?

No!

Does the old lady have the urns?

No!

Have you seen the urns?

Tell us where the urns are!

Or else!

The Catalans help the militiamen look for the  
urns.

Let's all look for the urns!

Ohh! The Catalans put them in the tree!

How did they get up so high?

They bring them back down.

They all drink lemonade.

And vote.

And vote.

And vote.

The end.
